

## STAIR IDENTIFICATION SIGN

### ONTARIO BUILDING CODE

#### 3.4.6.19. FLOOR NUMBERING

1. Arabic numerals indicating the assigned floor number shall
  - a. be mounted permanently on each side of doors to exit stair shafts;
  - b. be not less than 60mm high, raised approximately 0.7mm above the surface;
  - c. be located 1500mm from the finished floor; and
  - d. be contrasting in colour with the surface to which they are applied.
2. Upper case letters indicating the designation assigned to each exit stair shaft shall be mounted permanently on each side of doors to the exit stair shaft and shall
  - a. be not less than 60mm high, raised approximately 0.7mm above the surface;
  - b. be located 1500mm from the finished floor; and
  - c. be contrasting in colour with the surface to which they are applied.

*Note: The request to have stairwells that access the roof illustrated with a circle around the identifier is a Fire Department requirement and does not appear in the codes.*
